MANAGING FINANCIAL RISK

**- in uncertain
times**

Tuesday 14 February 2012 - 8:15am

Russell New The Courtyard Shoreham Road Upper Beeding Steyning West Sussex BN44 3TN

Olympic year 2012 looks certain to be another period of challenges and uncertainty for the sector.

The finances of charities will need to be critically monitored to ensure that they remain solvent and trustees will need to manage the risks being faced carefully.

Our first Breakfast Club of the New Year will look at the key financial risks that charities face in these turbulent times. We will discuss practical solutions to the risks identified.

As we expect this session to be popular please book your place as soon as possible, numbers are restricted to ensure that we keep things as interactive as possible.

RUSSELL NEW

CHARITIES BREAKFAST CLUB

The Charities Breakfast Club was put together to assist our charity clients and contacts with keeping abreast of topical issues in the sector which are of interest to them. Membership is free and the club meets on a quarterly basis at our office in Upper Beeding near Steyning, West Sussex.

If your charity wishes to become a member, you will then be entitled to send a delegate of your choice (it does not have to be the same individual each time) to the meetings, which will cover a range of topics and may include guest speakers.

If you would like to sign up to become a member to entitle your charity to send someone to attend any of our future meetings or would like any further information, please call Natalie Wiggins on 01903 816699 or alternatively you can email us at breakfast.club@russellnew.com.

Registration is at 8:15am (for an 8:30am start) when a selection of breakfast items will be available. End time is approximately 9:45am. Please note the venue is located on the first floor via stairs.

To attend please complete and return this form by Thursday 9 February 2012 to Natalie Wiggins at:
